

# CAS22 RIMFIRE SILENCER

# JAGUAR SILENCERS

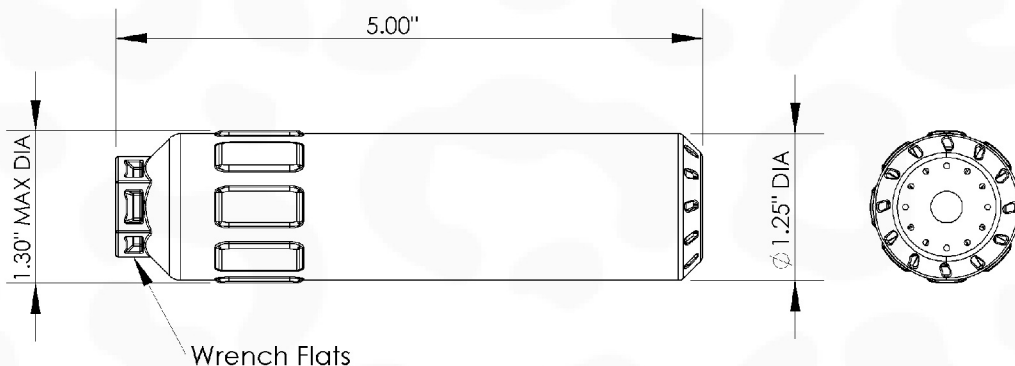

Direct Thread Mount shown  
with no 3D Texture in Black

## The CAS22 Silencer: Free Flow 22 Shorty Suppressor

Jaguar Silencers are as accurate as they are silent. The free flow design along with the “intermittent flow” system provides the best in suppression with extremely low blow back. The Jaguar expanded chamber pockets add increased suppression and strength. Built using Additive Manufacturing with Aerospace Grade materials giving you the toughest and most high-tech silencer on the market.
